

CELEBRATING **P.O.W.E.R.ful WOMEN**  
IN *Hospitality*

Launched in 2019, P.O.W.E.R. Plates is a month-long celebration of women in hospitality produced by Fidelity Bank's P.O.W.E.R. Program. P.O.W.E.R. Plates' goal is to raise awareness of, and drive business to, women-led restaurants in the southeast Louisiana region.

The Foundation's focus is on helping individuals working in Louisiana's hospitality industry and programs providing education and training for the local industry as well as crisis grants for those in immediate need, i.e. illness, house fire, car accident.
